

Are You Taking Too Much Risk?

If you're concerned about the recent global market volatility, Alan B. Lancz & Associates, Inc. is offering a free, no obligation, independent analysis of your current financial portfolio. Simply fax 419-536-5401 or email abl@ablonline.com a copy of your most recent statement(s) and we will evaluate your holdings based on risk, cost, and performance. Over the past year we have been seeing the average investor taking too much risk of which they were not aware.

LanczGlobal Independent Investment Research

LanczGlobal.com is a proprietary website, available exclusively to members. But it is far more than just a Web site. It is a whole world of investment analysis and investment strategy at the touch of a fingertip. In these volatile markets there is no better way to stay informed and take advantage of the emotional swings in both directions.

- All of our independent proprietary research, in-depth analysis, up-to-the-minute strategies and recommendations and actual real-time portfolios with transactions and activity as they are made
- Features our entire active universe of investments on a daily, ever-changing basis, rather than just a monthly summary or snapshot format
- Real-time advice, commentary and actual activity ideal to benefit from our nationally recognized profit-taking strategies and the latest insights to capitalize on during these volatile times
- All of this plus access to all of our written publications including:

LanczGlobal's Written Publications

- The Lancz Letter - \$295 for 1 year or \$495 for 2 years
- Sound Investing Basics - \$150 per issue
- ABL Research Reports - \$1,000 annual distribution (or \$100 per company report)

(6/1/07) CNBC Appearance - Strategic Profit Taking live at the NYSE
